Co-funded by the European Union

Co-funded by the European Union. Views and opinions expressed are however those of the author(s) only and do not necessarily reflect those of the European Union or European Research Executive Agency (REA). Neither the European Union nor the granting authority can be held responsible for them.

Science-Policy Interface

30 partners from 16 countries: University, Research, Education, Governmental (state-, federal, local), NGO's

Contributors: AEEU, AgKu, ANR, ATB, BEE / EEB, BLE, BPI, BvAT, CAPADR, CISIC, CREA, CSIC, CU, DAFM, E-B, FBN, IFOAM EU, IMIDRA, ISARA, MASAF, NKFIH, RNA, TAGEM, THUENEN, UC, UTB, UVIC-UCC

Role: Put in place mechanisms for science-policy dialogue (OO8); ensure that the enablers of agroecology transition put in place appropriate conditions to accelerate agroecology transition

Objectives:

- Create and support mechanisms for exchange between scientists and policymakers
- Provide evidence base for policy that supports AE transition
- Contribute to improved governance and policies
- Exchange with the multiple actors in AE LLs, RIs and beyond to understand their policy-related challenges
- Provide capacity building for researchers and policymakers to raise awareness on policy issues and strengthen dialogue among them.

WP2 – Activities, Engagement & Highlights

Benchmarking research and sectoral policies (T2.1)

2025: Survey 12 EU countries AE policies

Improving capacity and governance of science-based policy advice (T2.2)

2025: Survey 12 EU countries StP interface; course catalogue with training material

European Panel for Agroecology Transition EPAT (T2.3)

Joint Annual Science-Policy Event Brussels 2024; Malmø 2025

Collection and monitoring of AGROECOLOGY Outputs (T2.4)

From Partnership funded projects

Latin America and Africa

In planning: Understanding and Advancing National Mirror Projects for Agroecology (T2.5)

Mapping existing NMPs

In planning: Contribution of CORE Organic Expert Network to strengthen policy coordination (T2.6)

Annual expert Group Event

We invite researchers, Living Labs, and practitioners to send us their policy relevant results and recommendations
